Ironbound Community Corporation

Our 25th Anniversary

1969 - 1994

Dear Friends,

On behalf of the Board of Trustees, the staff, and the volunteers of the Ironbound Community Corporation, it is our pleasure to welcome you to our 25th Anniversary Celebration.

We are a quarter of a century from the days when a group of neighborhood parents organized themselves to solve their child care needs and opened our Ironbound Children's Center. That success provided the inspiration for our ongoing mission: to work with neighborhood people to solve neighborhood problems in a spirit of justice and equality for all.

Like that small group in 1969, hundreds of people have since given their time and energy building and participating in the Community Corporation's many successful neighborhood programs. They have helped make our community a better place to live and provide testimony to the simple truth that together we can make a difference. We thank them for their contributions.

We also wish to thank our many friends and supporters who have been with us through the years. Their confidence and support have helped us to accomplish all the good work we have done.

We are proud of our record and are happy to have been able to help thousands of people to have better lives. Today, we look to the future with great hope and much enthusiasm.

Thank you for joining us in our celebration of the past, present, and future of the Ironbound Community Corporation.

Sincerely,

Joseph Della Fave
